What happens to my Celebrity Rewards account after I register for Celebrity Central?

We use a variety of details from your Celebrity Central profile to match you to your existing Celebrity Rewards account (for Rewards accounts created prior to October 2018). One of the most effective ways to do this is with your email address, so if you've not used the same one when you registered your Celebrity Central account, be sure to add it to your profile as a secondary email address so we can find you. Don't worry if we don't make a match, you can get in touch with our Helpdesk team using the [Contact Us](#) page on the Celebrity Rewards website, stating your First Name, Last Name, Email Address, ABTA and Store Address for both your old Celebrity Rewards account and your new Celebrity Central account and we'll do our best to match you manually.
